IN TENEMENT BLAZE

Caught by Backdraft and Hurled From Ladders Near Lincoln Square.

MANY FAMILIES OUSTED

Telephone Failing, Alarm Is Sent From Box a Mile Distant From Scene.

Lieut. Thomas Cunningham of En gine Company 40 and five firemen up der his command climbed to the top o a shed in Sixty-fifth street near Broad way last night shortly after 8 o'clock to fight a fire which had started in a one story frame building in 25 Wes Sixty-fourth street, and by then had spread to the five story tenement house in 27 and the one and two story structures at 21 and 23.

Lieut. Cunningham and his men got line of hose up to the shed, but had hardly turned on the water when a back draught caused an explosion which blew them from the shed and buried them twenty-five feet to the At the same time the exploon blew Fireman William G. Hoenig of Engine Company 2 from a ladder on which he was handling a hose line twenty-five feet from the ground, and he flames that came in the wake of the explosion struck Fireman John J. Con-nolly of Engine Company 23 and John Gleason of Hook and Ludder 35 be-fore they could get out of the way.

All the men in the path of the back

draught and the flames that shot out of

the burning buildings were burned. Fire

men William Doyle and Francis Murray,

with Lieut. Cunningham and Firemen Joseph McSherry and Thomas Mitchell and William Davis, on the shed, were burned seriously about the hands and face. Hoenig was so badly burned and cut by being blown from the ladder that t was necessary to send him to Roose velt Hospital. The others, after being treated by Dr. Archer of the Fire Department, went to their station hou The police have not yet learned how the her husband's grocery store at 19 West Sixty-fourth street, smelled smoke and stepping to the street saw smoke and fiames pouring from the door of No. 25. She tried to telephone the Fire Department, but after she had seven nickels into the dropped street and began screaming. It did not occur to any one, however, to turn in

then some one at Broadway and Sixty-fourth street saw the flames and smoke and pulled a box in Longacre Square A second alarm was turned in as soor as the firemen reached the scene, and Bishop Charles Sumner Burch, who the twenty families in No. 27 were orout of the building when the fire crep to the rear of the burning buildings in rescue five horses which had been stabled there, and in time also to

an alarm from a street box until the
